**INCIDENT SUMMARY:** According to Sheriff Jeffrey J. Murphy, a White Creek man was arrested on multiple charges after deputies investigated a domestic incident that occurred on Chestnut Hill Road in the Town of White Creek.

Donald R. Disorda Jr., 38, was charged with Felony Aggravated Family Offense, Misdemeanor Criminal Mischief and a Violation of Harassment after a 911 call was received accusing Disorda of being physical with household members and damaging items inside the house. The 911 caller and other household member were not injured and didn't require medical treatment.

A Felony charge of Aggravated Family Offense is filed when a person has a Misdemeanor domestic violence conviction and is arrested on an additional Misdemeanor or higher domestic violence related charge within 5 years.

Disorda was arraigned at centralized arraignment in Fort Edward and has since been released from the Washington County Correctional Facility after posting \$500 cash bail.
