

the Finance Committee for consideration was moved by Mr. Ferguson, seconded by Mr. Hicks, and adopted.

County Clerk's Office and DMV are by appointment only. Mr. Haff asked for the County Clerk's thoughts on not requiring appointments for filing paperwork/business in the County Clerk's office because he did receive a complaint about that process. The County Clerk stated especially right now with our numbers up for precautions with the amount of people in the entrance and families coming in for passports, she feels by appointment is the safest way to operate and they can keep track and help with any contract tracing if there was an exposure. If someone comes to the door and they do not have someone at the counter at that point, they do put them into the system so that they are still monitored and allowed to come in. They also follow this same procedure for DMV.

A motion to adjourn was moved by Mr. Haff, seconded by Mr. Ferguson, and adopted. The meeting adjourned at 10:19 A.M.
