**NOTICE of Child Support Annual Service Fee Increase**

This notice is to advise you of a **change to the federally-required annual service fee** for child support services.

Federal law requires each state to charge an annual service fee for child support services to individuals who have never received certain types of assistance. "Never assistance" recipients are individuals in receipt of child support services who have never received assistance under the federal Title IV-A program (the Temporary Assistance for Needy Families [TANF] program). You are receiving this notice as our records indicate that you are a never-assistance recipient of child support services.

Beginning October 1, 2019, and then each federal fiscal year thereafter (October 1 to September 30), the child support annual service fee will be **\$35**. The amount that the State must collect and disburse to families before imposing the fee each federal fiscal year will increase from \$500 to \$550.
